

# TexConnect Mobile Account Access Instructions

## Access Your TexPool Accounts on the Go via Your Mobile Phone!

TexConnect Mobile is a convenient way to access your TexPool accounts anytime, anywhere. It makes doing business with TexPool simple and secure. User role-based secure access provides the additional security of requiring a password only the user knows. To access your account from your smartphone:

1. Go to [TexPool.com](http://TexPool.com).
2. Select TexConnect Online. You will be directed to the mobile version.
3. Securely log on to your account using your Location number, PIN and password.
4. Choose from the available options.

Through TexPool's technology platform, the TexConnect Online website is optimized for mobile use. Using any smartphone, you can:

- Obtain performance information.
- Process transactions, including deposit and withdrawals by wire or ACH as well as transfers between accounts and Pools.
- Future date transactions up to 90 business days.
- Access account and participant balances.
- View transaction history.
- Update your TexConnect user profile.
- Contact TexPool Participant Services.
